

## PUBLIC NOTICE

### 4<sup>TH</sup> Street Waterline Relocation Project

#### **AFFECTED RESIDENTS:**

All residents living on or around 4<sup>th</sup> Street, North of McKinney

#### **DATE OF OCCURANCE:**

Beginning June 2011 through project completion

Residents,

In order to install the new Elevated Storage Waterline, 4<sup>th</sup> street will be closed to allow contractors to the complete construction. This waterline relocation project will require residents to use an alternate route when traveling to and from their homes. The map provided below will assist you in planning your most direct route around the construction. The roadway will remain closed until further notice.

Construction crews will be switching over your existing waterlines to the new system. This will require the intermittent interruption of the water to your homes. We will do it as quickly as possible. Thank you for your patience. If you have any questions regarding this road closure, please contact City Hall at 972-736-2711
