

Did you know?...

Passing a loading or unloading school bus is is **DANGEROUS** and **ILLEGAL!**

When a school bus is stopped to load or unload students **ALL** traffic on the same roadway must stop and stay stopped until:

- The red lights stop blinking
- The bus resumes motion

Traffic travelling in the opposite direction as the bus is on the same roadway unless there is a curb, grassy median, or other physical barrier between directions of travel.
